Elio (PG)	For centuries, people have called out to the universe looking for answers--in Disney and Pixar's all-new feature film "Elio," the universe calls back! The cosmic misadventure introduces Elio, a space fanatic with an active imagination and a huge alien obsession. So, when he's beamed up to the Communiverse, an interplanetary organization with representatives from galaxies far and wide, Elio's all in for the epic undertaking. Mistakenly identified as Earth's leader, Elio must form new bonds with eccentric alien lifeforms, navigate a crisis of intergalactic proportions, and somehow discover who and where he is truly meant to be.
From The World John Wick: Ballerina (MA15+)	Taking place during the events of John Wick: Chapter 3 - Parabellum, the film follows Eve Macarro (Ana de Armas) who is beginning her training in the assassin traditions of the Ruska Roma.
How to Train Your Dragon (PG)	On the rugged isle of Berk, where Vikings and dragons have been bitter enemies for generations, Hiccup (Mason Thames; The Black Phone, For All Mankind) stands apart. The inventive yet overlooked son of Chief Stoick the Vast (Gerard Butler, reprising his voice role from the animated franchise), Hiccup defies centuries of tradition when he befriends Toothless, a feared Night Fury dragon. Their unlikely bond reveals the true nature of dragons, challenging the very foundations of Viking society. With the fierce and ambitious Astrid (BAFTA nominee Nico Parker; Dumbo, The Last of Us) and the village's quirky blacksmith Gobber (Nick Frost; Snow White and the Huntsman, Shaun of the Dead) by his side, Hiccup confronts a world torn by fear and misunderstanding. As an ancient threat emerges, endangering both Vikings and dragons, Hiccup's friendship with Toothless becomes the key to forging a new future. Together, they must navigate the delicate path toward peace, soaring beyond the boundaries of their worlds and redefining what it means to be a hero and a leader.
Jurrasic World Rebirth (M)	Five years after the events of Jurassic World Dominion, the planet's ecology has proven largely inhospitable to dinosaurs. Those remaining exist in isolated equatorial environments with climates resembling the one in which they once thrived. The three most colossal creatures within that tropical biosphere hold the key to a drug that will bring miraculous life-saving benefits to humankind.
Smurfs (G)	When Papa Smurf (John Goodman) is mysteriously taken by evil wizards, Razamel and Gargamel, Smurfette (Rihanna) leads the Smurfs on a mission into the real world to save him. With the help of new friends, the Smurfs must discover what defines their destiny to save the universe.
The Great Lillian Hall (M)	As beloved Broadway star Lillian Hall (Jessica Lange) pours her heart, soul, and time into preparing for her next big role, she finds herself blindsided by confusion and forgetfulness. Battling against all odds to make it to opening night, while holding on to her fading memories and identity, she must navigate a tumultuous emotional journey -- balancing her desire for the spotlight and the stark demands of the real world.
